Each January the Bloomington Historical Society Board of Directors begins a new year of service. Our twelve Board members serve two-year terms, with half of the board up for new terms each year.

In November, members at our annual meeting elected three new board members, and re-elected three members. We are happy to welcome Barb Bellorin, Denise Logeland and Ryan Young to the board.

Barb has been a regular volunteer at the Museum on Thursdays. Denise has been at the Museum researching Bloomington families and brings her expertise in genealogy to the board. Ryan has been a regular Wednesday afternoon volunteer, and is experienced in fundraising and social media outreach.

Re-elected Board Members are Frances Stachour, Karl Feind and Ross Johnson. Board Members with one year remaining in their terms are: Jean Bellefeuille, Ken Veness, Patti Nesheim, Jim Goodermont, Jerry Heisler and Rose Underhill.

The first order of business at the January Board meeting was election of Board Officers.

### **New Officers elected**

Our bylaws now have term limits for officers. We thank Fran Stachour for her steady leadership through transition and pandemic. She has done a tremendous job, bringing continuity through difficult years. She now turns her gavel over to Rose Underhill who will serve as president for the next two years.

Ross Johnson has been vice president for two terms, and passes his responsibilities over to Barb Bellorin. Denise Logeland will take the secretary's position. Patti Nesheim will continue as treasurer, and Jean Bellefeuille was re-appointed as curator.

### **Committee members sought**

In addition to our Board of Directors, there are several committees that keep things running at BHS. All Bloomington Historical Society members are encouraged to step up and join a committee. Some even meet online rather than in person. Join one today!

## BASKETBALL TOURNAMENT TIME

### One Hundred Years Ago

On March 7-8, 1924, the boys from Bloomington High School headed out to Brownton, Minnesota for a district basketball tournament. They came home with a silver trophy, sponsored by the Commercial Club.

The silver basketball, engraved with the names of team members, is now on display at the Old Town Hall Museum along with other school memorabilia.
